IT on AU - Quickguide

General IT-support
All necessary information regarding IT should be available on http://studerende.au.dk/en/it-support/

Student Card Activation
To activate your acquired student card, as key card, go to: http://imv.au.dk/adgangskort/

Internet Access (eduroam)
Follow the guide on eduroam.au.dk/en
The AU-Guest network can be used for temporary internet access to setup eduroam.

VPN
Follow the guide on studerende.au.dk/en/it-support/vpn/

Study relevant IT

Your study portal
All the information about your study, exams, teaching, student counselling, and much more. Go to http://studerende.au.dk/en/ and find your study.

My study
Your personal schedule, courses, and more: https://mitstudie.au.dk/en
Provides shortcuts to self-service, your AU email, Student self-service, printing, and many more.

Self-Service and Student Self-Service (STADS)
Self-service: mit.au.dk/ or through https://mitstudie.au.dk/en
For student self-service (STADS) follow link on self-service or on mitstudie.au.dk.

Email
Your primary e-mail address is: [student number]@post.au.dk
Your secondary e-mail address is: au<<ID>>@post.au.dk
Access mail-box on post.au.dk/ or through https://mitstudie.au.dk/en

Printing
It is possible to print documents using the library’s printing facilities. Printers are located around the different campuses. You can find them here: http://www.au.dk/en/about/organisation/find-au/buildingmap/?o=15
You must be registered as a user at AU library and have funds on your account. Follow the guide on http://library.au.dk/en/facilities/myprint-print-and-copy/

Exam
To be ready for the exam you must be sure to check your exam registration on Student Self-service (STADS) – see above for helpful links.
Otherwise check the study portal for your study and click on Examination to read about Digital Exam, rules and so on.

You can also read about some of it here: studerende.au.dk/digital-eksamen/
