TOP UP Programme: Individual Project – Spring 2013

Together with an advisor, the student must determine the subject for the project report. The subject must lie within one of the areas of Organisation, Financial Management, Economics, Marketing, Accounting or Finance. Please fill in the enclosed form and hand it in to the Registrar’s Office.

For appointment of an advisor please contact the secretary at the department where you wish to write your project report. Before you hand in your registration form, it must be approved by the departments’ secretary.

The project report must have a scope of maximum 66,000 characters (excl. blanks) and must be elaborated independently and under supervision. Furthermore the report must content an English summary of 3,000-4,000 characters. The ordinary demands for the presentation/design of the report, references to sources etc., are the same which apply for the Bachelor’s Thesis. The project description will be available at the Study Portal.

There will be no oral defence and no external examiner.

Deadlines
Registration: No later than the 15th of February 2013 at Registrar’s Office, Tåsingegade 3, building 1443 after the wording of the report has been made and afterwards approved and signed by the advisor and secretary.

Handing in of the project report: No later than the 3rd of May 2013 at 14.00 on Campusnet.

Kind regards
