

## Velkommen til kandidatuddannelsen Globale Områdestudier!

Kære studerende,

Velkommen på kandidatuddannelsen. På de følgende sider ses det endelige program af planlagte introduktionsaktiviteter. Programmet er fælles med de følgende uddannelser, som også hører hjemme på afdeling for Globale Studier, af samme årsag foregår dele af programmet på engelsk.

- Internationale Studier (KA)
- European Studies (KA)
- Global Europe (Tilvalg)

Studievejlederne vil snarest invitere jer GLAS-studerende til et særligt møde hvor de bl.a. vil introducere uddannelsens opbygning mv. Mødet kan ikke lægge i samme uge som introduktionsaktiviteterne, og vil altså finde sted efter uge 36. I vil modtage mere information via Blackboard.

Alle introduktionsaktiviteterne er frivillige at deltage i, og dele er måske mindre relevante hvis du allerede er hjemmevant som studerende på Aarhus Universitet. Ud fra programbeskrivelserne skulle det være muligt at vurdere hvilke der er relevante for dig. Når det er sagt, så er håbet at mange vil deltage så meget som muligt. Underviserne anbefaler at man deltager i introduktionen til biblioteket. De sidste 30 min. af biblioteksintroduktion overlapper desværre med undervisning, men kom alligevel og deltag i den første time.

Venlig hilsen

## Monday, September 2

**11.00-11.30**

### **Welcome talk by Liselotte Malmgart, Director of Studies Building 1441, room 110**

Do you know which faculty, institute and department that the programme belongs to? In her welcome Liselotte will introduce the organizational structure of Aarhus University. The main channels of information and influence, both digital sources and committees, to your programme will be briefly presented.

To conclude the welcome, Head of Department, associate professor, Uwe Skoda will stop by as well.

### **Lessons, be sure to check your timetable for location and time.**

Changes to the timetables may occur during the semester, and classes will not necessarily be held at the same time and the same place every week

## Tuesday, September 3

**09.00-10.30**

### **Intro to library and reference tools by librarian Søren Elle (In Danish) Meeting room 4 (basement floor), Royal Danish Library, Victor Albecks vej 1**

Do you know the answer to the following question?

- How can I use the library?
- How can I use the library catalogue?
- How can I make good and systematic searches for my subject?
- How can I manage my references?

If not, please join in to get a basic intro/brush up to navigate and use all of the library resources for your study. Søren will touch upon the following:

- Access to the library; use of study facilities; printing facilities, etc.
- How to find everything; and how to borrow/access what you have found.
- Introduction to Subject Guides, bibliographies etc.
- Short introduction to EndNote as a reference management system.

### **Lessons, be sure to check your timetable for location and time.**

Changes to the timetables may occur during the semester, and classes will not necessarily be held at the same time and the same place every week
