I am writing a group thesis together with:			
Name		Student reg. no.	
Name		Student reg. no.	

Preliminary problem statement (thesis statement) – *must be filled in*

Second and third exam attempts require a modified thesis statement. Write the modified thesis statement here:

As part of your second and third exam attempt, you and your supervisor should discuss which adjustments need to be made in relation to e.g. the following topics to ensure that the Master's thesis can be completed by the new deadline:

- Thesis structure
- Applied literature
- Applied method
- Argumentation
- Working method
- Collaboration with an external partner, if relevant
- Empirical material, if relevant

Supervision agreements (supervision plan) – *must be filled in* State at least two meetings. ***Please note:*** *The supervisor is not available during planned holiday (e.g. in July)* If a feedback meeting is arranged, it must be held no later than 14 days after the assessment of the Master's thesis, and must be stated in the supervision plan.	**Date**

The agreement is concluded by:

_____ _____

Date and name (supervisor) Date and name (student)
