

# When to apply for pre-approval?

You must read and follow the detailed instructions on your Study Portal (Study abroad > Courses abroad).

All students must obtain a personal pre-approval. There is no deadline to apply for pre-approval. But we have recommended deadlines.

Semester start at host university	Recommended application deadline
July	15 May
August	1 June
September	1 August
October	15 August

What is course documentation? Depending on your study programme you may need to provide a list of required readings and lecture plans in addition to a course descriptions and general information about the course. See the detailed information and instructions on your Study Portal.
