

**Application for temporary enrolment on a
Master's degree programme**

**Board of Studies for Natural
Sciences og Technical Sciences**

Student number:	
Name:	
Telephone number:	
Note:	If we need to mail you we will do it via your university e-mail address at post.au.dk

Which master's program are you applying for temporary enrollment in?	
How long do you apply for temporary master's enrollment?	
Which courses or/and bachelor project do you need to pass to complete your bachelor's degree? Indicate the title / ECTS-scope / examination period of the bachelor courses you need to pass: Bachelor project: Submission date	
Which master's courses will you pass in the temporary master's enrollment: Indicate course title / ECTS-scope / exam periode:	

Your reasons for this application, ie. what is the reason why your study program is different.

THE NEXT PAGE NEED TO BE COMPLETED

When you submit the application, you must have updated your bachelor's contract and have made a master's contract. Both parts must be approved by your Head of degree programme.

We emphasize that there is a plan for completing the bachelor's program as soon as possible and a preliminary plan for the master's program.

You must prioritize completing your bachelor's degree before starting the master's degree.

You can not expect to have the temporary enrollment extended.

Regler (only in danish)

Uddannelsesbekendtgørelsen, §12

Universitetet kan tilmelde studerende, som er optaget og indskrevet på en bacheloruddannelse ved universitetet, til fag, fagelementer og prøver i op til 30 ECTS-point på en akademisk overbygningsuddannelse eller en kandidatuddannelse, hvis universitetet skønner, at den studerende har faglige forudsætninger for at gennemføre og bestå bacheloruddannelsen og samtidig gennemføre fag eller fagelementer på den akademiske overbygningsuddannelse eller kandidatuddannelsen.
