

LIFE SCIENCE MATCHMAKING DAY 2021

Dear students,

Aarhus University, the faculties of Natural Sciences, Technical Sciences and Health, invites you to:

Life Science Matchmaking Day 2021

Virtual event

Thursday, April 15 from 3 p.m. to 6 p.m.

Life Science Matchmaking Day is a unique opportunity for you as a student to establish collaboration with companies working within life science – ranging from collaborative projects or thesis to internships and jobs.

Don't miss this opportunity

The entire day takes place as an open bazaar, and in the virtual meeting rooms you will meet companies and hear more about the opportunities for collaboration.

By participating you will have:

- your own profile to make yourself known for the recruiting companies.
- access to a dedicated project bank, where you can find relevant projects and jobs before, during and after the event. The project bank is only accessible for you as a participating student.
- direct contact with major life science companies and a head start in making a great career move.

All it takes

- A short written profile presentation of yourself exclusively for the recruiting companies.
- Participation in the event and a desire to work in the life science industry.
- A binding sign-up no later than **April 14th 2021**

For more practical information on Life Science Matchmaking Day 2021, visit the website [here](#) and see below.

We look forward to see you!

Practical information:
