

# WE WANT YOU! iMentor

**Do you want to meet international students and help them settle at Aarhus University?**

By being a mentor you can enjoy the following benefits:

- An official certificate from AU for your **CV**
  - Improve your **English skills**
  - **Expand your network** internationally and with students from various fields of studies within Nat-Tech
  - Participate in **free iMentor events** with your mentees
  - **Next event July 3rd:** Team building for the mentors: **Paint ball or laser tag**
- You can still make it!**

iMentor is the international buddy program for students from **Nat-Tech** at Aarhus University

Want to sign up or simply need more information?
