

# Introduction Day Summer 2026

For new MSc students at the Department of Biological and Chemical Engineering (BCE)

- **When:** Friday, 21 August 2026, from 12:00
  - **Where:** [Building 5220, Room 014](#), Jens Baggesens Vej 53, 8200 Aarhus N
  - **Sign-up online on the following link** [\[Sign-up\]](#) (no later than Monday, 16 August 2026)
- 

## Program for the day

**12:00**      **Welcome and presentation to the master's in biotechnology and chemical engineering (all new MSc students invited)**

Your Head of Programme will introduce your Master's programme and share the opportunities available during your studies.

**12:30**      **Free lunch, coffee and beverage**

**13:00**      **Social Icebreaker**

Break the ice and connect with your fellow students—just a chance to “ryste sammen” for a bit.

**14:00**      **Tour of BCE locations**

Guided tour of the nearest campus site

**15:00**      **Hangout**

**16:00**      **End**
