

Introduction Day Summer 2026

For new MSc students at the Department of Biological and Chemical Engineering (BCE)

- **When:** Friday, 21 August 2026, from 12:00
 - **Where:** [Building 5220, Room 014](#), Jens Baggesens Vej 53, 8200 Aarhus N
 - **Sign-up online on the following link** [\[Sign-up\]](#) (no later than Monday, 16 August 2026)
-

Program for the day

10:00 **Welcome to the master's in biotechnology and chemical engineering (for Internationals)**

With student counsellor and student mentors

10:05 **Life as a BCE Student – what to expect and how to thrive**

- How the semester is structured
 - Exam formats and grading systems
 - Culture and academic expectations
 - Heads up about important rules
 - Open Q&A session
 - Practical help and student resources
-

12:00 **Welcome and presentation to the master's in biotechnology and chemical engineering (all new MSc students invited)**

Your Head of Programme will introduce your Master's programme and share the opportunities available during your studies.

12:30 **Free lunch, coffee and beverage**

13:00 **Social Icebreaker**

Break the ice and connect with your fellow students—just a chance to “ryste sammen” for a bit.

14:00 **Tour of BCE locations**

Guided tour of the nearest campus site

15:00 **Hangout**

16:00 **End**
