

# INTRODUCTION DAY 2024

## For new MSc students in Engineering

**When:** January 26, 2024, at 12.00 pm

**Where:** INCUBA, IT-House, Åbogade 15, 8200 Aarhus N  
Building 5522, Room 115 (5522-115)

### Programme for the Day

<b>12:00</b>	<b>Welcome to the Department of Biological and Chemical Engineering</b> The Head of Department welcomes you to your new department.
<b>12:15</b>	<b>12:15 Get Ready to Begin your new Semester</b> Your Head of Degree Programme will introduce you to your new programme in general. There will also be time to take another look at your Master's contract and course registration – are you all set to begin your classes?
<b>13:15</b>	<b>Lunch Break</b> Your department offers a variety of vegetarian sandwiches and drinks.
<b>13:45</b>	<b>Presentation by the International Coordinator and your Student Counsellor</b> Learn more about how to study abroad during your Masters and how to navigate in your new study environment.
<b>14:45</b>	<b>Student Challenge Run</b> Get to know your fellow students through informal academic and social competitions. Laugh, learn, and play together.
<b>16:00 -</b>	<b>Friday bar, Approksimerbar</b> A visit to the engineers' Friday bar "Approksimerbar" Enjoy a free beverage (soda or beer) with your fellow new students.
