INTRODUCTION DAY 2024
For new MSc students in Engineering

When: August 23, 2024, at 12.00 pm

Where: Åbogade 34, 8200 Aarhus N
　　　　　Building 5344, Room 101 (Benjaminhallen)

Programme for the Day

12:00	**Welcome to the Department of Electrical and Computer Engineering** The Head of Department welcomes you to your new department.
12:15	**12:15 Get Ready to Begin your new Semester** Your Head of Degree Programme will introduce you to your new programme in general. There will also be time to take another look at your Master's contract and course registration – are you all set to begin your classes?
13:15	**Coffee Break**
13:45	**Presentation by the International Coordinator and your Student Counsellor** Learn more about how to study abroad during your Masters and how to navigate in your new study environment.
14:45	**Student Challenge** Get to know your fellow students through informal academic and social competitions. Laugh, learn, and play together.
16:00 -	**Social gathering** Join us for an afternoon of "hygge" and fun
