University of Melbourne
University of Technology, Sydney
University of Wollongong

Middle East

American University in Cairo
American University in Beirut

Thailand

Chulalongkorn University

UK

University of Leeds

Hong Kong

University of Hong Kong
City University of Hong Kong
-only BSc courses

China

Nanjing Agricultural University
University of Nottingham, Ningbo

Korea

Korea University
Sogang University
Seoul University

USA

University of California Santa Cruz
Drexel University
University of Washington
Washington State University

Singapore

Nanyang Technological University
National University of Singapore
- only BSc courses

Japan

Hokkaido University
- only BSc courses
Nagoya University

Malaysia

University of Nottingham, Malaysia
- only BSc courses

Canada

Brock University
- physics, chemistry, biology/mol. bio, geology,
mathematics, statistics, computer science

Dalhousie University

- only **undergraduate courses** in engineering,
animal, food and plant sciences, computer science,
physics, chemistry, biology/mol. bio., geoscience,
mathematics, statistics

Circle U

Aarhus University is a partner in **Circle U**. An alliance with 8 strong universities:

- King's College London
- University of Oslo
- University of Belgrade
- Humboldt-Universität zu Berlin
- Université de Paris
- UC Louvain
- University of Pisa
- University of Vienna

TASSEP UNIVERSITY NETWORK

Canadian universities

- University of Calgary, i Alberta
- McMaster University, Hamilton i Ontario
- Queen's University, Kingston i Ontario
- Universite de Montreal, Montreal i Quebec
- University of Saskatchewan, Saskatoon i Saskatchewan

- Gennemsnit på minimum 9
- Krav om 4 prioriteringer
- Søg igennem Moveon
- Kontakt Mette Glerup Thomsen for mere information (mgt@au.dk)

American universities

- University of Florida, Gainesville i Florida
- The University of Oregon, Eugene

You can go abroad for one semester during your Master's degree through AU agreements (no tuition fees) – third semester

The screenshot shows the 'STUDERENDE.AU.DK' student portal. The main heading is 'STUDIEPORTAL - DATALOGI OG IT-PRODUKTUDVIKLING'. The page is titled 'Udlandsophold' (Study Abroad). A central image shows a person's face wearing sunglasses with a globe reflection. Text on the image reads 'GRIB VERDEN. REJS UD!' and 'Som studerende på Aarhus Universitet står du med mange muligheder på hånden, som det bare handler om at gribe.' Below the image, there are sections for 'Rejs ud!' (Travel abroad) and 'Vigtige deadlines' (Important deadlines). The 'Rejs ud!' section asks if the user dreams of working abroad and offers information on study abroad opportunities. The 'Vigtige deadlines' section mentions a December deadline for applications.

Search for available exchange opportunities in MoveON's database

Apply for exchange in MoveON

<https://studerende.au.dk/studier/fagportaler/datalogi/udlandsophold/>

STEP BY STEP

1. Narrow the search

- ✓ Country
- ✓ University
- ✓ Courses
- ✓ Seek guidance and inspiration

2. Check the semester structure at the host university

3. Apply through MoveON.

4. You will receive an answer mid/late January

<https://au.adv-pub.moveon4.de/home-page-1591/>

AFTER THE ALLOCATION

- ✓ Apply for pre-approval
 - Application at mystudies.au.dk
 - Process period between 3-8 weeks
- ✓ Application for host university
 - We nominate you for the partner university
 - You receive application information
- ✓ Prepare English language test
 - Only if required by host university
 - TOEFL or IELST (1000-3000 DKR)

NEED MORE INFORMATION?

Step 1: Prior to applying

Step 2: Submit your application

Step 3: Consideration of applications

Step 4: Advance approval of credit transfer

Step 5: Submit your application to the host university

Step 6: Prior to departure

Step 7: While abroad

Step 8: After returning home

FIND THIS STEP BY STEP GUIDE AT YOUR STUDY PORTAL UNDER 'STUDY ABROAD'
