

How to complete an application for Study-Change/Transfer

Welcome to the digital application portal!

Following your login to the application portal you will be directed to the tab called **“See status of applications”**. Choose the tab called **“Create application”**.

On the right hand side of the screen you will find a guide on how to apply. Click on the blue question mark to open the guide.

The first thing you need to do is to choose the university you wish to apply for in the box called **“Institution name”**. Here you choose **”Aarhus University”**. Next you must state what type of education you are applying for in the box called **”Type of education”**. Here you must choose **“Study-Change/Transfer - Bachelor”**. Then click on the button **“Search”** and you will be presented with all the programmes at Aarhus University which are open for applications study-change or transfer at the present time. Please do not enter any information in the fields ‘Education name’ and ‘Start of study from’.

Personal information

Next, you must complete your personal information. Some of the spaces may already be completed automatically through your login, while others must be completed now. You will encounter the word “WAYF”. WAYF means that your personal information has been transferred when you logged on. Here you must enter an alternative email address to the one connected to your log in for the application system. Be aware that email notifications will only be sent to the email connected to your login.

Once you have answered all the questions, press **“Next”**.

Applied education/Course

Here you must answer questions regarding where you have heard about Aarhus University and if you previously have completed or expect to complete another bachelor’s degree a Danish educational institution before commencement of study.

Once you have answered all the questions, press **“Next”**.

Requirements and prerequisites

Here you may encounter a text saying “Collection of data failed, check the error under ‘Collection of data’!” This is not an error, just a notification. If you have not been a student at one of the universities that the system can collect data from, you should just continue with your application.

The following page deals with **“Requirements and prerequisites”**, where you must answer questions regarding your qualifying degree and upload documentation.

Here you must state if you already have passed a Master's degree. If you have passed a Master's degree you have the option to apply for exemption for the Master's regulation.

Please make sure that ALL documents are attached correctly. Once this is completed and you have attached all the relevant documents, press **“Next”**.

Show application

On the page called **“Show application”** you will find the information you have entered and the documentation you have attached. If you wish to alter your application at this stage you can use the process line to do so:

The information you have entered or documents you have uploaded will not be deleted if you move back on the process line. When you are ready to send your application then press **“Next”**, which takes you to **“Send application”**.

Save draft or send application

You can choose to save a draft by pressing **“Save draft”** in the lower right corner of the screen. This may be relevant if you need to attach further documentation. Just be aware of the fact that if you save a draft, it has not been submitted and will not be processed by Aarhus University.

If you want to send your application you can do so by pressing **“Submit application”**.

When you have pressed **“Submit application”** a message of confirmation will appear on the screen. Here you click on **“OK”**.

Under the tab **“Messages”** you will receive a confirmation letter and you will also receive a notification email in your personal mailbox. Remember to check your spam filter.

See status of applications

Under the tab **“See status of applications”** you can view your submitted applications, edit your unsent drafts or cancel an application. This tab will also appear when you log on to the application system again.

Good luck with your application!

Important tips

- Please notice that it is not possible to navigate back and forth in the application by using “the arrow back and forth” in the browser. Instead you must move back and forth using the process line:

- Throughout the whole application process it is possible for you to save your application as a draft as long as you have not sent it. As long as you do not save your application or send it you can press on “**My starting page**” and start over without saving a copy of your application.

- You will receive further help throughout the application process through a help text. This will be shown when you place the cursor in the text box. Furthermore, you can receive additional help from a help box that will pop out when you push the blue question mark in the right hand side of the page:

- Please notice that you are only able to apply for one programme at a time. You can reuse documentation from previous applications at the page “Requirements and prerequisites”, by using this function:

More priorities

If you wish to apply for more than one programme you must create an application for each programme. The first application you submit will be registered as your first priority. For each subsequent application you submit, you will have to decide what priority the programme is. Therefore, you have the possibility of changing your priorities during the application process. If you apply for admission for more than three priorities only the three highest prioritized applications will be processed. The rest of the prioritized applications will be rejected.

AO0133 Priority of applications

You have more than one application to the same educational institution. Therefore, you are requested to set the priority before you submit.

Priority	Education name	Status
1	Østeuropastudier med kandidatvalg (russisk)	Under treatment
2	Chemistry	Under treatment
3	Economics and Management (Management line)	Received
4	Psykologi (ansøgere med dansk adganggrundlag)	Draft
