

Uddannelsens navn	Cognitive Science, Linguistics, Cognitive Semiotics
Uddannelsens niveau	Bachelor, tilvalg, MA/KA
Uddannelsesnævn	LICS
Afdelingsleder	Peter Bakker
Hvilken evalueringsmetode er anvendt	Oral interim evaluations and a combination of written and oral final evaluations, co-signed by a representative of the students,
Hvilke konkrete kurser omfatter denne opsummering	All of them. Also an evaluation of the MA in semiotics was made, which was positive.
Beskriv 2-3 vellykkede forløb/forhold, der kan være inspiration for andre	The experienced teachers had good evaluations, and also the two external lecturers' classes were received quite positively.
Redegør for evt. forløb, der skal rettes op på, hvis de skal udbydes igen	Cognitive Science BA was offered for the first time.
Anbefalinger til indsatsområder og særlige tiltag, som evalueringerne har givet anledning til	The report on MA semiotics showed a general satisfaction, but more focus on essay writing and literature search was desired. A few other points also lead to proposed changes.
