

Evaluering, Lektologi Bachelor Tilvalg

Uddannelsens navn	Lektologi
Uddannelsens niveau	Bachelor tilvalg
Uddannelsesnævn	LICS
Afdelingsleder	Joshua Skewes
Hvilken evalueringsmetode er anvendt	Blackboard survey evaluations, with free-text comments by respondents.
Hvilke konkrete kurser omfatter denne opsummering	From sound to text; and Morphology, syntax, and text
Beskriv 2-3 vellykkede forløb/forhold, der kan være inspiration for andre	Both courses were rated positively to extremely positively. Students were extremely enthusiastic about the applied focus of the elective, and praised the teachers for creating a welcoming learning environment.
Redegør for evt. forløb, der skal rettes op på, hvis de skal udbydes igen	The practical nature of the courses meant that some tasks were ambiguous for students, and that courses seemed less organized than more purely theoretical courses.
Anbefalinger til indsatsområder og særlige tiltag, som evalueringerne har givet anledning til	The elective will not be running in coming years. Student counsellors have reported that this has caused an increased number of students from BA linguistics, and others who might have found this elective interesting, to apply for electives outside of AU.
